Hazardous Materials First Responder Operations Annual Refresher

Provides training to review and refresh the competencies covered in OSHA 1910.120 HAZWOPER for First Responder Awareness and Operations Level Responders. This course provides a review of the nine classes of materials, the use of the US DOT Emergency Response Guidebook, principles of containment, confinement, and extinguishment within the scope of the duties of a first responder at the Operations Level. This training is designed to satisfy annual refresher training requirements of OSHA for hazardous materials.

Designed for: All emergency response personnel

Course Length: 4 hours

**NYS Certification Level: Maintain Hazardous Materials First Responder Operations
A completed Training Authorization Letter.**

Course number : 01-09-0074
