Fire Officer I

This is the second course in a new series addressing command and management in today's fire service and is designed to meet the officer training requirements of the NFPA 1021 Standard. Building on the skills learned in Introduction to Fire Officer (45), students begin to examine the transition from firefighter to supervisor. Topics include management and supervision, group dynamics, company level training, community relations, fire department relations, information management, accident/injury investigation, pre-planning and strategy/tactics for multiple company operations.

Designed for: Fire officers and fire department training officers
Course Length: 24 hours

Prerequisite: Introduction to Fire Officer

A completed Training Authorization Letter.

NYS Certification Level: Fire Instructor I and
Officer Development
National Certification Level: Fire Officer I
College Credit: Yes
Course number : 01-11-0013
