Introduction to Fire Officer

This is the first in a new series addressing command and management in today's fire service. The goal is to give new and prospective officers the skills necessary to effectively manage and lead their companies and departments in the challenges of the rapidly changing fire service. Topics include assuming the role of company officer, introduction to leadership and management, fire service organization, legal issues facing the fire service, communications, health and safety, incident management, emergency response, on scene management and communications, and strategy/tactics for single company operations. This course replaces Preparing for Command.

Designed for: Fire officers, fire department training officers and prospective fire officers.

Course Length: 27 hours

Prerequisite: Firefighter I or equivalent

A completed Training Authorization Letter.

NYS Certification Level: Fire Instructor I, Fire Officer I

National Certification Level: Fire Service Instructor I
