

Wegmans

Official Event for 31 Years

April 5, 2007

ALL EMS Providers

EMS Providers,

The Board of the Medical and EMS team for the Rochester LPGA wants to thank you for your support during the 2006 Rochester LPGA. Without the support of EMS Providers/Agencies in the area, we could never accomplish what is required and considered necessary at this annual event.

Last year your contribution of time and equipment went to support Rotary Camps, Haccamo and the Sunshine Campus for children with disabilities.

This year we will again, ask that you consider supporting the 2007 Rochester LPGA. This year's LPGA will run from **Monday, June 18th through Sunday, June 24th** at Locust Hill Country Club located at 2000 Jefferson Road in Henrietta, NY.

We are thrilled with some of the new events and enhancement to this year's schedule. We expect a significant increase in the top names on the player's list as well as the number of spectators. We have much to talk about and look forward to sharing the many new and exciting events for 2007.

We will have an informational meeting at Locust Hill Country Club on May 16th at 7:00 PM. This meeting will walk through the events and needs for the 2007 LPGA tournament and answer any questions you may have. All EMS providers from CFR through MD are welcome.

I will be your contact for any information or needs. Please feel free to contact me at anytime and for any reason. I would be willing to attend a staff meeting or any general meeting to provide answers to any questions or further information. Thanks for your assistance in helping the disabled children in the area!

Sincerely,

Steve Leuchtner, EMT-CC
